E-Mail Addresses

We have had a good response with email addresses. But we would like to have more if possible; it would save the council the expense of sending the letter by regular mail. Please send your e-mail address to either Jim Perry@jmmdperry@yahoo.com or Jeff Hince @jjrhince@aol.com

will have of getting the time you want to work.

Thank You!!!!

The past two years have went by very fast! It has been a very rewarding experience to be your Grand Knight. I have had the opportunity to meet many new people throughout the state, and even in our local council. Our council is growing and continues to be very active. We have started many new projects and I hope to see them grow. We have also finished up some very worthwhile projects. I would like to take this opportunity to thank everyone that volunteered to help with projects, especially the officers and committee chairs for the past two years. Without your dedication and loyalty to our council, we couldn't have accomplished all that we did. Please support our new officers for the coming year.

MUSINGS

How Well Do You Know Your Mate?

While attending a marriage seminar on communication, David and his wife listened to the instructor declare, "It is essential that husbands and wives know the things that are important to each other. He addressed the man, "Can you describe your wife's favorite flower?"

David leaned over, touched his wife's arm

gently and whispered,

"Pillsbury All-Purpose, isn't it?"

Remembering Things.....

An 80-year-old couple were having problems remembering things, so they decided to go to their doctor to get checked out to make sure nothing was wrong with them.

When they arrived at the doctors, they explained to the doctor about the problems they were having with their memory. After checking the couple out the doctor told them that they were physically okay but might want to start writing things down and make notes to help them remember things.

The couple thanked the doctor and left. Later that night while watching TV, the man got up from his chair and his wife asked, "Where are you going?" He replied, "To the kitchen."

She asked, "Will you get me a bowl of ice cream?"

He replied, "Sure."

She then asked him, "Don't you think you should write it down so you can remember it?"

He said, "No, I can remember that."

She then said, "Well I would also like some strawberries on top. You had better write that down because I know you'll forget that."

He said, "I can remember that, you want a bowl of ice cream with strawberries." She replied, "Well I also would like whipped cream on top. I know you will forget that so you better write it down."

With irritation in his voice, he said, "I don't need to write that down! I can remember that." He then fumes into the kitchen.

After about 20 minutes he returned from the kitchen and handed her a plate of bacon and eggs. She stared at the plate for a moment and said angrily: "I TOLD you to write it down! You forgot my toast!"
