Spaghetti Supper & Bingo

This project was a huge success! We served 291 people. People stayed and socialized and played BINGO. We had close to 180 people playing BINGO at one time. The food was fabulous. A big THANK YOU to our chairs, Gene Brand, Gayle Boudreau, Jerry Cyrus and Mike Mahlow and to all the help. (Especially the ones that stopped and helped when they saw how overwhelmed we were.)

The word has gotten out that the KC's put on a great spread. We were asked to cater a sports banquet but we had to decline because of lack of time and manpower. Maybe next time!

Dues

There are just a few that have not paid there dues yet please take care of this as soon as possible.

Special prayer

Please remember all our troops that are serving our country. They need all our support and prayers during this time of war.

Musings

As a new bride, Aunt Edna moved into the small home on her husband's ranch near Snowflake.

She put a shoebox on a shelf in her closet and asked her husband never to touch it.

For 50 years Uncle Jack left the box alone, until Aunt Edna was old and dying.

One day when he was putting their affairs in order, he found the box again and thought it might hold something important.

Opening it, he found two doilies and \$82,500 in cash.

He took the box to her and asked about the contents.

"My mother gave me that box the day we married," she explained. "She told me to make a doily to help ease

my frustrations every time I got mad at you."

Uncle Jack was very touched that in 50 years she'd only been mad at him twice.

What's the \$82,500 for?" he asked.

"Oh that's the money I made selling the doilies.

POSITIVE THOUGHT

If God had a refrigerator; your picture would be on it.

If He had a wallet, your photo would be in it.

He sends you flowers every spring, and a sunrise every morning.

Whenever you want to talk, He'll listen.

He could live anywhere in the universe, and He chose your heart.

EVERYDAY MATH

The best mathematical equation I have ever seen: 1 cross + 3 nails = 4 given.
